Active Experiences Amidst Nature and Tradition

In collaboration with **Tatjana Sport s.p.**, a Professor of Physical Education and sports training specialist, we design unique experiences that offer a perfect balance between physical activity and the rich tapestry of natural and cultural heritage.

Our programs – ranging from a few hours to multi-day getaways – are carefully crafted for those who seek active movement in nature while discovering the authentic heritage of our region.

PRODUCT 1:

APPLE INDULGENCE

"Experience an active escape in an exceptional UNESCO cultural landscape. Under expert guidance, explore the high-trunk orchards that received the prestigious Melina Mercuri Prize for their uniqueness, and immerse yourself in the flavors, tradition, cultural heritage, and nature of Kozjansko regional Park."

The experience includes:

- **Stay in the Authentic Heart of Kozjansko:** 2x nights at the modern Interpretation Center "In the Orchard" (Gradišče 22, Podsreda) with full board, featuring a selection of local delicacies.
- **Active Morning & Exploration:** Morning exercise for a fresh start to the day, followed by a guided hike along the "Apple Trail" from Podsreda to the Kozjansko Park orchards.
- **Heritage Discovery:** A visit to the exhibition on high-trunk meadow orchards at Gradišče – an essential habitat for diverse bird species.
- **Tastes of Tradition:** Tasting of dried fruits from ancient apple and pear varieties, followed by a culinary workshop on baking the authentic Kozjansko apple strudel.
- **Visit to the Gene Bank:** A tour of the Kozjansko Park orchard, which serves as a genetic treasury of indigenous apple and pear varieties.
- **Cycling Adventure:** An e-bike trip to the Kukovičič Mill organic farm. Learn about the traditional grain milling process at the last operational mill on the Bistrica River, followed by a tasting of organic products.
- **Castle Experience:** An e-bike ride to Podsreda Castle, a guided tour of the fortress, and a memorable dinner featuring rich Kozjansko cuisine in the authentic atmosphere of the castle kitchen.
